Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Storytelling, Todd Solondz, The director of "Happiness" has produced a characteristically scabrous dissection of the confused motives that can lie behind 'true-to-life' writing and documentary filmmaking. Solondz offers two separate stories ('Fiction' and 'Non-Fiction') that unfold amid the sadly comical terrain of college and high school. In the first, a young female student has a stranger-than-fiction sexual encounter with her creative writing tutor. In the second, a struggling documentarian sets out to faithfully record the life and thoughts of an ordinary American adolescent, but finds himself irresistibly drawn to the exploitative possibilities of the material.
