But the moment this delightful parallel story progresses, the reader sees that the "hunters" are armed with cameras only, as they look for an opportunity to take a picture from a safe distance. But little bears and little hunters have a way of wandering off. And even though their mothers take care to protect the young, it isn't long before bear and boy find themselves face to face. Then, CLICK, the little hunter gets his shot before the two go their separate ways to find their mothers again. A rhythmic fantasy for all young adventurers ready to explore, Click! captures just the right balance of gentle humor and comforting warmth.
