

The Making of the Indebted Man: An Essay on the Neoliberal Condition

Filesize: 2.69 MB

Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

Autonomedia. Paperback. Book Condition: new. BRAND NEW, The Making of the Indebted Man: An Essay on the Neoliberal Condition, Maurizio Lazzarato, Joshua David Jordan, The debtor-creditor relation, which is at the heart of this book, sharpens mechanisms of exploitation and domination indiscriminately, since, in it, there is no distinction between workers and the unemployed, consumers and producers, working and non-working populations, between retirees and welfare recipients. They are all "debtors," guilty and responsible in the eyes of capital, which has become the Great, the Universal, Creditor.--from The Making of the Indebted Man Debt -- both public debt and private debt -- has become a major concern of economic and political leaders. In The Making of the Indebted Man, Maurizio Lazzarato shows that, far from being a threat to the capitalist economy, debt lies at the very core of the neoliberal project. Through a reading of Karl Marx's lesser-known youthful writings on John Mill, and a rereading of writings by Friedrich Nietzsche, Gilles Deleuze, Flix Guattari, and Michel Foucault, Lazzarato demonstrates that debt is above all a political construction, and that the creditor/debtor relation is the fundamental social relation of Western societies. Debt cannot be reduced to a simple economic mechanism, for it is also a technique of "public safety" through which individual and collective subjectivities are governed and controlled. Its aim is to minimize the uncertainty of the time and behavior of the governed. We are forever sinking further into debt to the State, to private insurance, and, on a more general level, to corporations. To insure that we honor our debts, we are at once encouraged and compelled to become the "entrepreneurs" of our lives, of our "human capital." In this way, our entire material, psychological, and affective horizon is upended and reconfigured. How do we extricate ourselves from this...
