Cengage Learning, Inc. Hardback. Book Condition: new. BRAND NEW, G Is for Galaxy: An Out of This World Alphabet, Cathy Collison, Janis Campbell, Alan Stacy, Illustrated by Alan Stacy Aspiring astronauts, star gazing astrophysicists, and even toddlers pointing at the moon will now have the right stuff for exploring our galaxy. With rhymes for younger children and their accompanying fact-filled expository text for older readers, syndicated "Yak's Corner" columnists Janis Campbell and Cathy Collison shuttle us through an out of this world alphabet as seen through the windshield of a space ship. Each page answers galactic questions like: What planet is 300 times heavier than Earth? Why is space the ultimate place to study? Which planet is closest to the sun and which one is the farthest? Who said, "That's one small step for man, one giant leap for mankind"? Authors Janis Campbell and Cathy Collison write the syndicated column "Yak's Corner," which is a magazine style section for young readers. They live with their families in Southeast Michigan. Illustrator Alan Stacy lives in Arlington, Texas. His father was part of the team that chose the astronauts for the Gemini and early Apollo space programs in the 1960s.
