Planet of the Orange-Red Sun Series Volume 4 Difficillis Exitus (Paperback)

By Vic Broquard

Broquard eBooks, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Onboard a space ship, a group of women lived in a self-sustaining world they called Madiera, which they believed was nothing more than a world. Two robots, Alpha and Beta, ran the ship, totally behind the scenes. In fact, the designers of the robots and the space ship initially built them to save part of their disintegrating world. The goal: take a group of survivors and found a new world. Sorely, that plan ran into difficulties. After four hundred years, still the robots had not yet found a suitable new planet. Worse, when the original world was destroyed, only a few hundred women had been brought onboard. No males. The robots improvised, creating unique methods for women to have children, girls only, since there were no Y-chromosomes available. Initially, the original women did not adapt well to their unusual situation. Seeing their home world destroyed, many began committing suicide, completely the opposite goal from the robots programmed survival goals. With the entire project about to fail completely, the robots genetically modified the women, removing their hands....
