

How to Manage and Teach Children with Challenging Behaviour

By Veronica Birkett, Rebecca Barnes

LDA. Paperback. Book Condition: new. BRAND NEW, How to Manage and Teach Children with Challenging Behaviour, Veronica Birkett, Rebecca Barnes, Faced with deteriorating behaviour with a long list of possible causes, many teachers feel overwhelmed by the problem of challenging behaviour. This book has been written to strengthen and inspire even the most battle-fatigued teacher. It provides: clear, practical advice for senior managers, teachers and teaching assistants; definitions of troubled and troublesome behaviour; a helpful model of behaviour management; and strategies for avoiding confrontation and dealing with it when it does arise. Respected author Veronica Birkett writes with warmth and humour, bringing a wealth of classroom experience to this practical and accessible book. Taking the approach that prevention is better than cure, advice is given on how to create a positive ethos, in which challenging behaviour is less likely to occur in the first place. "How to Manage and Teach Children with Challenging Behaviour" is sure to become an indispensable friend and guide to any teacher experiencing the daily challenges of a modern classroom. It includes the latest title in LDA's category-bestselling "How To" series to tackle special needs in the school classroom.

Reviews

This book may be really worth a read through, and far better than other. it was actually written extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- *Lillie Toy*

It is easy in read through easier to fully grasp. it had been written very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be the very best book for possibly.
