A seriously entertaining read. --Livin Life Through Books I had a big smile on my face the entire time I was reading it. --Author Karen Hall Don't start this book late at night because you will not be able to put it down until you have finished it. --Mermaid from Tennessee Zoe Miller is a 15-year-old witch with a talent for potions. She's working hard to find a substitute for toad slime. Since fat-free margarine has been found to be a substitute for dead man's toe, she's hopeful that she'll find one. Then there's all the so-called normal stuff. Like high school, her annoyingly selfish friend Anya, and her crush on Anya's ex-boyfriend Jake. If she brews a self-serving potion, bad things will happen to her appearance. Like a crooked nose, giant wart, green skin, rotting teeth--the whole ugly witch stereotype. Zoe's tired of fate interfering so cruelly in her life. Can you really blame her for putting her potions to not-so-good use and stirring up trouble? *****Excerpt: Should we leave? Why not? he asked in a low voice that sent shivers through me. I made myself look at him as I whispered, Because you don't want...
