### Reviews

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.India, the enemy within by Dr M.Ragbeer India regained its independence in 1947 after nearly a millennium under Islamists and British. Indian history can be traced to approx. 10,000 BCE, the end of the last ice age. Many kingdoms and unions developed since, religious ferment flourished, producing tolerant religions and prospering, commanding 25-30 of the world's GDP, by the time the British appeared. Its wealth and diversity confounded the British, who failed to convert the Indian and concluded that the only way to do so was by destroying credibility of his beliefs. This they started, during their rule, with the defeat of Indians in 1757, and again in the 1857 revolt, by fabricating proof that Indian religions were based on myths, using as evidence a mistranslation of the Vaidas by a German, Max Muller, and following an education plan by Lord Macaulay, who knew no Indian language. The false history proposed an external aryan origin of Hindu scriptures and language and was taught at all schools, for 150 years, and broadcast globally. The discovery, 90 years ago, of the advanced Saraswati-Indus civilisation, which had ended 4000 years ago, supported the Vaidas (referenced here in an ample bibliography). Religious literature, astronomy, space exploration, satellite imaging, philology, genetics and other work also support the corrections. Yet the false version persists in America, Europe and India. Background data are given on India's pre-conquest prosperity; its tolerance; its many advances in mathematics, astronomy, sciences, linguistics, biology, medicine etc.; its aid to the European renaissance. The context is given of Islamic and British victories from the 8th to the 19th centuries, during which Muslims acquired Hindu knowledge and taught it in...
