The impress of each succeeding generation will be found upon its walls, marking the intellectual, artistic and governmental advancement of the age. The great pile is national, American, human. On its walls is written the nation's history. Its corridors resound to the footsteps of her living heroes and sages; its every stone echoes the departed voices of her greatest dead. - George Hazelton For over two centuries, the capital of America has been located in Washington, D.C., and among all the iconic landmarks and monuments associated with the city, nothing is as conspicuous as the Capitol, the magnificent building that houses Congress and sits on Capitol Hill at the epicenter of the city. At the same time, even though the Capitol is now one of the most recognizable buildings in the world, the image everyone is familiar with took decades to achieve, and its grand scope belies its rather chaotic history. In fact, the Capitol was partially burned by the British during the War of 1812, and its now famous dome was still under construction while the nation fought itself during the Civil War. Moreover, it's easy to forget that the expansion of the country resulted in the addition of new Congressmen, requiring the expansion of the Capitol as the seat of the legislative branch. The Capitol truly...
