SAGE Publications Inc. Hardback. Book Condition: new. BRAND NEW, Franklin Delano Roosevelt (1st Revised edition), Robert S. McElvaine, Each volume in the "American Presidents Reference Series" is organized around an individual presidency and gathers a host of biographical, analytical, and primary source historical material that will analyze the presidency and bring the president, his administration, and his times to life. Truman as his vice president, Roosevelt began preparing the nation and the world for the post-war realities. On April 12, 1945, not long before the unconditional surrenders of Germany and Japan, Roosevelt died. This new volume on the presidency of Franklin Delano Roosevelt will cover: The Great Depression and The...
