Cornerstone. Paperback. Book Condition: new. BRAND NEW, Dawn of Empire, Sam Barone, Three thousand years before the birth of Christ. An epic conflict is about to begin. The price of victory? Civilization. The price of defeat, a return to the dark ages. The hopes of civilization rest on one man's shoulders: Eskkar, once a barbarian, now a warrior in charge of defending a small town which lies in the path of a vast barbarian war party. The last time the invaders came to Orak, they spared no one and the tiny candle of trade and agriculture that had begun there, the first in all of human history, was extinguished. But Eskkar and Trella, the beautiful slave girl he has been given by the grateful townsfolk, and the raggle-taggle army he has inherited are not going to flee. They will fight against the overwhelming odds with foolhardy bravery, subtle ingenuity and the last drop of their blood. On this tiny band the lathe of history will turn: victory or darkness?.
