CHRISTIANS IN THE AMERICAN REVOLUTION (PAPERBACK)

Regent College Publishing, US, United States, 2006. Paperback. Book Condition: New. 2nd. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Blending a commanding knowledge of the field with a rare gift for synthesis and lucid expression, Mark Noll brings to life what it meant for Christians in a different time and place to wrestle with the political implications of their faith. Nathan O. Hatch, University of Notre Dame His study . . . should provoke us afresh to a reexamination of the interpretation of belief and culture in our own time. David F. Wells, Gordon-Conwell Theological Seminary When Christians understand the religious history of the United States, with its close connection to political history, they are better prepared to make knowledgeable contributions to the current discussion of national values, priorities and purposes. *Christians in the American Revolution* begins with a brief survey of the political and religious background of the pre-Revolutionary years. The author then examines the influence of various religious convictions on the movement for independence and, conversely, the effect of the Revolution on colonial church bodies and their understanding of Christian truth. Colonial Christians responded in four major ways to the Revolution: they supported complete freedom in politics and religion; they advocated social and political reform; they called for submission to English authority; and they argued against involvement of Christians in the war effort. Whether Patriot, Reformer, Loyalist or Pacifist, American Christian colonials influenced not only the fledgling nation, but the development of religious thought to the present. This revised edition includes a new bibliographic essay detailing contributions to this field since the first edition was published in 1977. MARK A. NOLL (PhD, Vanderbilt University) is McManis Professor of Christian Thought at Wheaton College...
