This story is the continuing journey of a man caught in a hell he calls life. The same dead end job and a friend who he works with that he loves and hates all at the same time. Now with his one last fling with the one that got away and married behind him, everything else is pretty much going nowhere. That is until he's introduced to an older woman who is more like him than he ever expected. A woman who's been around the block and knows all the good parking spots, but with class. Still he finds himself drinking too much, taking too many pills to function, and hating everyone who looks down on him, uses him up, and all he has to do to make this only life he has as bearable as possible. Drinking, drugs, sex, and the shit work he has to do are all this poor bastard has. But still he keeps his course sense of humor.
