Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Over at our place, we re sure of just one thing: everybody in the world was once a child. So in planning a new picture, we don t think of grown-ups, and we don t think of children, but just of that fine, clean, unspoiled spot down deep in every one of us that maybe the world has made us forget and that maybe our pictures can help recall. - Walt Disney A lot of ink has been spilled covering the lives of history s most influential figures, but how much of the forest is lost for the trees? In Charles River Editors American Legends series, readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. When it comes to the entertainment world and movie business, few names are as recognizable as Walt Disney, a versatile writer, producer, director, artist and voice actor who literally turned his name into a billion dollar business. Whether it was through the creation of iconic cartoons like Mickey Mouse or America s favorite theme parks, Disney and his assorted businesses have entertained countless numbers of people across the globe, particularly young kids. At a time when cinema was still a new and growing business, Disney staked out unique turf by bringing comics to life on screen, with his first big hit being Mickey Mouse. Of course, the popularity of Mickey Mouse helped spawn future creations like Donald Duck and...
