The History Press Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. Did you know: \* Hull City is the only team in the English Football League which hasn't got a single letter that you can colour in? \* City's early matches were played at The Boulevard, the old home of rugby league side Hull FC. \* Up to 2008, the nation's favourite trivia quiz question was: which is the largest city in England to have never had a team in the top division? The answer, of course, was Hull - but promotion in May 2008 rendered the question defunct and the search is now on for an updated version. The Hull City Miscellany - a book on the Tigers like no other, packed with facts, stats, trivia, stories and legend. Now, with the club tasting previously uncharted highs, look back at what has made this club what it is today - the players and characters that have represented City over the years and the events that have shaped the club. If you want to know the record crowd for a home game, the record appearance holder or longest-serving manager, look no further - this is the book you've been waiting for. From record goal scorers, to record defeats; from Boothferry Park to Dean Windass - it's all in The Hull City Miscellany - can you afford not to own a copy?.
