

## The Principal Versions of Baruch (Classic Reprint) (Paperback)

Filesize: 9.43 MB

### Reviews

*A new eBook with a brand new point of view. It really is written in basic words and not confusing. I discovered this publication from my i and dad recommended this book to find out.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Principal Versions of Baruch The purpose of this investigation of the principal versions of Baruch is to bring forward some new results that have been reached: It is conclusively shown that the whole book was written originally in Hebrew. 3:9-4:4 was a poem in 33 meter; 4:5-5:9, its companion poem, was in 3/2 meter. The Greek version, which was made by a single hand at an early date, has suffered much variation and corruption, especially in the prose part. The present text is late and has probably been influenced much by the recension (not a new translation) of Theodotion. The Old Syriac version was originally made from the Greek. The only text which is known to us is a later conflate recension; this I have called the Ordinary Syriac version. There is no evidence that it was ever directly influenced by any Hebrew text. Two Latin translations of the book were made. The first of these (Kneucker s Vet. Lat. b) was made from the pre-Hexaplaric Greek. The second (Kneucker s Vet. Lat. a. surviving chiefly in the Vulgate) is a later close rendering of our standard Greek text. A third text, Hoberg s Die alteste Lateinische Uebersetzung des buches Barutch, is the result of conforming Vet. Lat. b to the standard Greek text. It has passed since 1902 as the oldest Latin version of Baruch, but is really late and unimportant. A pre-Christian date for the Greek translation of Baruch is proved by the identity of its author with that of the Greek of Jeremiah of which it was a part. I wish to express my cordial thanks to Prof. Charles C. Torrey,....
