## Pro-vocation

By Marek Stefanowicz

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 170 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. Pro-vocation was written online, in real time, on [www.athonomy.com](http://www.athonomy.com) forums, between 25 April and 2 June 2010. This is ultra-modern, total, multidimensional and uncompromising comedy literature, which doesn't fit any pigeonholes whatsoever. The plot originates from a short story and then rambles around the forum threads as paean posts to conscious life, awareness, breathwork, breatharianism and Pure Unconditional and Everlasting Love. When the main character: Justin Time, realizes he is being written about, like some of us do now and then, he tries to take over the narration and get more control of his life. It's not easy as the book seems to be writing itself most of the time. The bonus is that prospective readers, whenever they feel like, can just go to [www.athonomy.com](http://www.athonomy.com) and talk to Justin or the main female character of Pro-vocation: Mary Air. They are both still there. Art has become life. This item ships from La Vergne, TN. Paperback.
