MANAGING ACROSS BORDERS: THE TRANSNATIONAL SOLUTION (PAPERBACK)

Harvard Business Review Press, United States, 2002. Paperback. Book Condition: New. 2nd Revised edition. 229 x 155 mm. Language: English . Brand New Book. Widely acclaimed for its perceptive insights into the management of companies operating in an international environment, Managing Across Borders has established itself as a landmark book. Bartlett and Ghoshal describe the emergence of a revolutionary corporate form - the transnational - and reveal how the nature of the global competitive game has fundamentally changed. Highly readable! Valuable lessons for companies in a wide range of industries and sizes-indeed, almost any organization operating several different businesses across borders. - The Financial Times . A fascinating book! The conclusions certainly break away from the perceived wisdom about the factors needed for success in global markets. - Management Today . Managing Across Borders makes clear that success in global strategy is as much a function of the ability to organize and manage as it is the ability to create a sound strategy. Bartlett and Ghoshal make an important and highly practical contribution in a book that represents the leading edge of thinking on this important subject. - Michael E.Porter, Bishop William Lawrence University Professor, Harvard Business School, and author of Competitive Strategy .
