Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Evelyn Clay has had a roller coaster of a life, to say the least. From growing up facing and overcoming segregation in public, to her family being split apart by divorce, to an unexpected pregnancy and her struggles as a single mother, Evelyn has had her fair share of ups and downs. However, through the power of prayer, that roller coaster came to a halt when she realized God had already wrapped her up in clovers, a life of prosperity. Evelyn's life is so much richer now that the desires of her heart were fulfilled through holy matrimony to her now husband, Sedgie Lee Conerly II. The rest is history. In this powerful and inspirational story, you will follow Evelyn on her journey through life and finally learn how she came to meet Sedgie. Wrapped Up in Clovers is about family and relationships, single parenting, and, above all, love and faith. It is centered on real events and a mysterious secret kept by a small Southern town for more than twenty years. Pick up Wrapped Up in Clovers and embrace yourself for a heart-thumping, foot-stomping, love-filled, spiritual ride back in time.
