By Margaret W Haliburton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Teaching Poetry in the Grades It is the purpose of this book to indicate fully and clearly how poetry should be taught in the grades. The model lessons submitted have been put to the most thorough tests and always with excellent results. The poems chosen are such as have been approved by the best educational authorities throughout the country. They include practically every type of poem suitable for use in grade work. The book is designed not only to meet the needs of grade and rural school teachers but also to be used as a text in methods classes in Reading. Here, we believe, the best results can be secured not by the mere study of the model lessons but by the actual use of the lessons in class. One student may take the part of teacher and the others imagine themselves pupils in one of the eight grades and respond accordingly.
