Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to my series of law textbooks for beginners. When you first start studying law the terminology (wording) or principles (rules) can be overwhelming, I have been teaching law for over 7 years and in that time I have taught mainly beginner or entry level students who have had some difficulty in the early stages of study and even faltering due to this whole new language which is the law, this textbook series was put together to help you to put the principles and terminology in plain English (ride with stabilisers) until such time as you are ready to revert to the terminology in the knowledge that you are more confident and knowledgeable and ready to ride that bike without stabilisers. The Law of Contract Every day we enter contracts, most of those contracts are subconsciously entered into and we are rarely aware of the intrinsic nature of a contract and all of the essential elements which must be fulfilled in order to have a legally binding and enforceable contract, we simply take the law of contract for granted. Simply buying a bottle of water or your morning coffee affords the same legal principles as buying a car or entering into a million euro business deal. Contract do not need to be in writing to be enforceable, on the contrary, if you were to have a written contract every time you went to the shop for a paper or to buy a coffee there would be some very long queues as you would have to write the terms of the contract down and sign it, time consuming and frivolous as very little actually selling would...
