Shunned and forgotten, they live on the streets in ragtag groups with the already-booming population of homeless changelings. But the streets aren t a haven; someone, or something, is hunting these children down.Wraith, a teenage spell slinger, has no home, no family, and no real memories of her past. She and her friends SK, Fritz, and Shadow are constantly on the run, fleeing from a dark and unknown enemy. But when her companions are taken by the snatchers, Wraith is their only hope. Her journey to find them will test the limits of her magic--and her trust. A dark force is on the rise, and it could spell the end of our world as we know it.
