New Horizon Press Publishers Inc.,U.S. Paperback. Book Condition: new. BRAND NEW, When Your Child Dies: Tools for Mending Parents' Broken Hearts, Avril Nagel, Randie Clark, The death of your child is devastating. No parent feels that he or she should outlive his or her child. However, the sad fact is that every minute around the world, some 15 children die according to the WHO. The psychological and emotional impact following sudden and traumatic death can inhibit parents' grief and, without appropriate treatment, develop into Post Traumatic Stress Disorder (PTSD). When Your Child Dies provides grief-stricken parents with the tools to navigate the grieving process and addresses the challenges of the intrusion of the media, the justice system, medical system and coroners. Grieving parents will learn how to reduce anxiety and depression and promote healthy self-soothing, identify and address issues that linger and cause emotional pain following the child's death and incorporate their loss into their lives in healthy ways. There are suggestions for talking with surviving children, how to handle the impact on family and social relationships, how to foster a continued loving relationship with the dead child's memory, as well as a comprehensive list of resources and reading for ongoing support. In addition to professional backgrounds, Nagel and Clark have both experienced the traumatic loss of a child and speak with compassion, parent-to-parent.
