Brand New Book ***** Print on Demand *****.The Enchanted Highway is a collections of poems which reflects on hope, love, compassion, faith, belief in oneself and the environment. It is topical, honest and based on the author s extensive life experiences. John JT Roberts poems cover a diverse range of topics, ranging from the stress and strain of everyday living, to the pleasures of the natural environment. The work is presented so that it gives the reader an easy to follow pleasurable experience; without the complexity often related to Poetry and Verse. It is intended to be unassuming and relaxing, whilst avoiding the intellectual manipulation of words normally associated with poetry and poetic narrative. Reading poetry can often be tedious and mind bogglingly taxing and many people feel that there is an almost upper-class snobbish mindset, that implies that all good poetry must be complex and open to differing interpretation. This is understandable, particularly if one fails to appreciate the true meaning of the work in the first place. Whichever way one looks at it; it is an enchanting way of interpreting the meanings, connotations and expressions of those of us who do their best to make a positive contribution to the exciting world of poetry.
