Dragon Moon Press. Paperback. Book Condition: New. Paperback. 286 pages. Dimensions: 8.4in. x 5.5in. x 1.0in. IN THE NEAR FUTURE, humankind has mastered the arts of peace, tolerance, and acceptance. At least, that's what we claim. But then they arrive. Aliens--the last of a dead race. Suffering culture shock of the worst kind, they must take refuge on a world they cannot understand; one which cannot comprehend the scope of their loss. Taciturn Gwen Pierson and super-geek Basil Grey are Specialists for the Institute--an organization set up to help alien integration into our societies. They take in Kalp, a widower who escaped his dying world with nothing but his own life and the unfinished toy he was making for a child that will never be born. But on the aliens world, family units come in threes, and when Kalp turns to them for comfort, they unintentionally, but happily, find themselves Kalps lovers. And then, aliens--and the Specialists who have been most accepting of them--start dying, picked off by assassins. The people of Earth, it seems, are not quite as tolerant as they proclaim. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
