Of Irish Descent: Origin Stories, Genealogy, and the Politics of Belonging

By Catherine Nash

Syracuse University Press. Hardback. Book Condition: new. BRAND NEW, Of Irish Descent: Origin Stories, Genealogy, and the Politics of Belonging, Catherine Nash, What does it mean to be of Irish descent? What does Irish descent stand for in Ireland? In Northern Ireland? In the United States? How are the categories of "native" and "settler" and accounts of ethnic origin being refigured through popular genealogy and population genetics?"Of Irish Descent" addresses these questions by exploring the contemporary significance of ideas of ancestral roots, origins, and connections. Moving from the intimacy of family stories and reunions to disputed state policies on noble titles and new scientific accounts and applications of genetic research, Nash traces the place of ancestry in these interconnected geographies of identity - familial, ethnic, national, and diasporic. Underlying these different practices and narratives are potent and profoundly political questions: "Who counts as Irish?," "Who belongs in Ireland?" and "To whom does Ireland belong?"Examining tensions between ideas of plurality and commonality, difference and connection that run through the culture and science of ancestral origins, "Of Irish Descent" is an original and timely exploration of new configurations of nation and diaspora as communities of shared descent.

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.

-- **Mr. Carol Bergnaum IV**

This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.
