People develop lists for many things they do in their lives. If you have a party or a wedding, theres a guest list. If you are a member of a club or organization, theres a membership list. In fact, youre probably on lists that you dont even know about, like those dreaded telemarketer lists. Lists are an organizational tool we use in many aspects of our lives. We even have grocery lists. Lists have stood the test of time for one reason - theyre effective! There are many types of business, and even a wider variety of customers. No matter what type of business youre running online, actual brick and mortar, small business, large business you have to have a way to stay in touch with your current customers and potential customers. Practically everyone has an email account. You can probably count on your hands the number of your customers that dont have one. For that reason, building an email list is one of the most effective, inexpensive ways to grow your business. There are many methods you...
