Brand New Book ***** Print on Demand *****."Dream Job in 90 Days" is a story of young professionals in search of their dream jobs. This book is, however, more than just a story. It is also a "how-to" book. It is the ultimate "how-to-get-your-dream-job" book. If getting a great job is important for you, then buying this book will be the most important first step! By picking up this book, you will have started your journey towards success in professional life. You will soon find that this book may prove to be perhaps the most valuable investment of your life. If you are a fresher and are submitting your resume to jobsites for the first time and are just getting started, you will find the book extremely useful. Even if you have got years of work experience under your belt, have shifted multiple jobs in the past few years and are on all job sites, you will still need this book because despite your experience you may be making lots of common mistakes. If you think you are an expert at job hunting, then try and answer these questions: How many profiles do you have on a particular jobsite? Just one? No wonder you are losing out. Fewer than 5 of all professionals use multiple profiles on job sites. So if getting the next job is important for you, you can achieve a significant advantage by having more than one profile on a particular jobsite. Recruiters can be your No. 1 friend, especially in a competitive job market. Do you really understand how recruiters think and shortlist candidates? No? You are not alone! Most candidates dont understand how recruiters think and manage...
