The Housing Design Handbook: a Guide to Good Practice (Paperback)

By David Levitt

Taylor Francis Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 274 x 216 mm. Language: English . Brand New Book. How well have architects succeeded in building housing and what lessons can be learned from their triumphs and failures? The Housing Design Handbook will give you a complete understanding of what makes successful housing design. Through the analysis of work by Levitt Bernstein and a wide range of other UK practices, it illustrates good design principles and accumulates a wealth of knowledge in a readily accessible format for the first time. Written by a recognised authority in the field, the book provides: * a range of cases to illustrate the way that different issues in the design of housing have been approached and with what degree of success * a review of the place of housing as the most significant built form in the urban landscape * an understanding of the importance of achieving a sense of place as the bedrock of social continuity * a discussion of how flexibility might be achieved in order to accommodate future changes in housing need, if wholesale demolition and replacement is to be avoided * more recent examples which explore why certain social...

Reviews

Extensive guide! Its such a excellent read. This can be for anyone who statte that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.
-- Melvin Hettinger

This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Dr. Easton Collier DVM
