Barron s Educational Series, United States, 2010. Paperback. Book Condition: New. Mike Gordon (illustrator). 208 x 185 mm. Language: English . Brand New Book. Nature s Miracles titles encourage children to explore the natural world for themselves by observing nature s activities. The books also encourage kids to take part in activities of their own that promote a sense of responsibility toward the Earth s plants, animals, and natural resources. Each book presents a cheerfully illustrated story about children who explore nature s wonders. Notes for parents and teachers that follow each story suggest activities, further reading, and Web sites related to the book s theme. Color illustrations on every page. In this book, children explore a garden pond in springtime, and discover a deposit of frog s eggs. They take home a small amount of the eggs and place them in a fish tank with water plants. As time passes, they watch the eggs develop into tadpoles. Before long, the tadpoles become frogs, which the children then return to the pond.
