Excerpt: . . . 11 look at issues related to appointments and accountings and any-thing that comes to our attention in those regional offices. Finally, we will continue to follow-up on our recommendations and conduct future work in the program to look at other aspects that we may not have been able to address at this point. It is a pretty large program and we focused really on one aspect for this period of time. ALL Mr. H. Thank you. From a statistical sample of Fiduciary Program reports, the OIG anticipates that legal instruments exam-iners may not have adequately verified approximately 2. 9 million in expenditures for 551 of 1, 906 accountings. That is 29 percent of the accountings completed between April 1, 2009, and May 22, 2009. Based on this 29 percent error rate, how many of the Na-tions 104, 000 incompetent beneficiaries do you predict or estimate are at risk of fiduciary misuse INN Ms. F. Our statistical sample was somewhat constrained by the fact that the system...
