Narosa Publishing House. Hardback. Book Condition: new. BRAND NEW, The Laws of Large Numbers, T.K. Chandra, Laws of Large Numbers contains the usual laws of large numbers together with the recent ones derived in unified and elementary approaches. Most of these results are valid for dependent and possibly non-identical sequence of random variables. These are established under much greater generalities with methods drastically simpler than the standard ones available in current text-books. Using the uniform Integrability type conditions, the monograph...
