Kets de Vries, If you are to survive in today's competitive environment, you must have the leadership skills that make you a valued member of your organization's leadership team. Global Executive Leadership Inventory (GELI) is your in-depth development tool that offers guidance for understanding your leadership abilities and shows you how to take steps to improvement. The Inventory consists of 100 action- and behavior-based questions that are designed to measure your competency within twelve areas: Visioning, Empowering, Energizing, Designing and Aligning, Rewarding and Feedback, Team Building, Outside Orientation, Global Mindset, Tenacity, Emotional Intelligence, Life Balance, and Resilience to Stress. As a result of the GELI process, when you complete this Workbook you will be able to: state advantages of and concerns about 360-degree feedback; identify twelve key characteristics of successful global leaders; evaluate your strengths and weaknesses on each of the twelve key characteristics; and, develop an action plan that specifies what you will do to improve your leadership competencies.
