Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Brand New Book ***** Print on Demand *****.The inspiration behind this book came from a multitude of sources, though music, travel and dance are mine and its foundations. Added to over the years it was mostly written whilst I travelled and performed as a dancer in various events across England and Europe. Year on year my love for everything that is music, travel and dance grew ever stronger. As I got more entwined with this cultural movement and the adhesive nature of performing, my works in progress and my many literary/visual plans grew bolder. In the early days everything for me revolved around the open outdoor raves, nightclubs, warehouse parties, gigs and the many festivals of the summer time. This is the mid to late nighties, many are the prolific storms brewing in that of my writer s mind, as I found my feet in dance I was also forming my network of words. Everywhere I travelled the industry people I met just told me to go get up on stage, you belong they would say. I could not and would not stop dancing though I would never take a wage, as my love of dance could never be a job; dance is just one of my many passions albeit the one I lament the most. I caught the full force of the dance music culture, on my first long summer in the clubs of Ibiza. As I travelled and lived in various countries I gravitated to the clubs, festivals and events of that place and time. It would never take long for club management and festival organisers to spot me dancing. After many hand shakes it would always end with me up on a...
