Garnet Publishing Ltd, United Kingdom, 2007. Paperback. Book Condition: New. Teacher's Edition. 280 x 206 mm. Language: English Brand New Book. The Skills in English Course: Level 2 Part B Teacher's Book Do you use English as part of your studies? Then you need The Skills in English Course. The course builds the skills required for lectures, tutorials, reading research and written assignments in English. Listening skills include: * listening and making notes; * listening for gist; * making inferences; * and writing a summary. Speaking skills include: * talking about researched information; * narrating a story; * talking about past and present customs; * and expressing an opinion. Reading skills include: * transferring information; * recognizing the writer's point of view; * reacting to a text; * and identifying missing information. Writing skills include: * writing topic sentences; * summarizing with topic sentences; * linking sentences; * and paraphrasing. The Skills in English Course prepares students for entry into English-medium study. It is also ideal for students who wish to improve their scores in skill-based examinations for university entry requirements, such as the International English Language Testing System (IELTS). Rather than focusing on exam preparation, The Skills in English Course teaches the necessary skills as part of a systematic programme of language development. Key Features * Resources Book containing reading texts, tapescripts and grammar resources * Each level available separately in two sections, Part A and Part B * Each section provides 80 hours of teaching * Additional syntactic grammar practice in Resources Book * Updated web resources, including blended learning for listening and reading * Free downloadable unit test packs * Featured lectures and radio programmes on DVD Did you know?
